With the plastic knife, cut out a square from the top right corner  
At the bottom of your sandwich, cut semi-circles out to make spaces for the two wheels.

Again carefully cut two slices of cucumber.  
After they're cut place them into the spaces you've made on your sandwich.

## Blaze sandwich (2)

**Step 6**

Get a slice of cheese and cut out a small smile

**Step 7**

You'll then need one green grape, and one black grape. Cut them both in half and place one half of the black grape on top of one half of the green grape to make Blaze's eye.

**Step 8**

With a slice of yellow pepper cut out the shape of Blaze's flame logo and place it on the middle of the sandwich above his wheels.

Cut four little squares of cheese for Blaze's lights and place them at the top left of your sandwich.

**Step 9**

Lastly you'll need to cut out some flames using orange and yellow slices of pepper and put them behind Blaze.
