# Nick Jr. Foldable Fortune Teller Folding Instructions

## Fortune Teller Game Instructions

1. Insert the index finger and thumb of both hands underneath the four flaps and bring the four together so there is no space between them.
2. Ask a question.
3. Pick a character.
4. Spell out the character's name and open the fortune teller once for each letter in the name, alternating directions each time.
5. When you stop, pick a number from the four visible numbers inside.
6. Open the fortune teller as many times as the number chosen.
7. Pick another number and open the flap with that number on. The answer to your question lies beneath!
